Events Calendar for 2024

Dear Club Member.

Welcome to your 2024 “Events Calendar”. Once again, we want to bring you a varied selection of events and hopefully, there will be something for everyone.

Last year, we divided the Events Calendar into two sections: the “Annual Club Events” and “Other Events”. However, where there were date clashes, this was not immediately obvious which we felt may have led to confusion. As a result, this year we have decided to place all events into a single “Calendar” in date order where we hope that date clashes may be more apparent. You will however note that there are two new columns:

1. A column marked with ‘C’. This is used to indicate which events are ‘Club Events’ – those where we try to attend as a club and, where possible, have a designated area so that we can all be together. The other events are events that we feel you may be interested in attending, although due to size and/or location, we may not be able to secure a designated space for us. Naturally, if some of these “Other Events” prove to be popular, then we will try to make these “Club Events” in the coming years.
2. We are aware that some of our members do not have printers and therefore cannot print the Events Calendar. This year we have incorporated an “Event Number” column (on the far left), so you can simply email us with the number(s) of the events that you are planning on attending, and we will update our records accordingly. So, ‘No Printer – No Problem’

We would welcome your feedback on all these events so please let us know what you think. You will also find further information and how to register for all events at the Club website – Just follow this link

Also, please note that simply because you have “ticked” a particular event, it does not mean that you are committed to attend. The reason that we ask you to fill this in, is because some event organisers ask us to indicate how many cars are likely to attend so that they can allocate space accordingly. We can then pass this information on to them when asked.

So, either email the events that you are likely to attend (as in point 2 above) or email the ‘ticked’ “Club Copy” of the Events Calendar back to Phil, phil@philmler.co.uk, or Jeannie, exec145@btopenworld.com, or to one of the postal address(es) below. Failing that, simply hand it to Jeannie or Phil at any Club Night.

Any questions or queries – Just contact us at the email addresses above!

So, here’s looking forward to an enjoyable show season and putting some miles on those classics.

Best regards
Jeannie & Phil
